

Registration Form

Summer School on Applied Cryptographic Protocols 2010

Mykonos, Greece, Sep 26 – Oct 01, 2010

Please provide the requested information below to register for the summer school.

Note that registration does not necessarily entail admission. In order to participate in the summer school you still need approval by the organizers.

The registration fee is **430.00 EUR** (to be paid upon approval only). This includes shared accommodation (two students/double room), breakfast, as well as coffee breaks and light lunch during the conference. It does not cover travel expenses. Please make sure that sufficient funding is available. There is also a limited number of stipends (see below).

Please include (in separate PDF documents) a one-page CV with a list of selected publications, and a one-page statement how attendance of the summer school would contribute to your research and how you can contribute to the summer school (e.g., via the student session).

Name:

Affiliation:

E-Mail:

(please double check)

PhD started in:

(MM/YYYY)

Supervisor(s):

Role of your hosting institution: (check none if not applicable)

ECRYPT II Partner

ECRYPT II Associate member

CASED Partner

Planned attendance:

Sep 26 - Oct 01

other dates:

I would like to apply for a student stipend.

Please note that students of ECRYPT II Partners are asked to charge the amount to their local ECRYPT budget. Such students may nonetheless apply for a stipend, but preference will be given to other participants.
